Thirdly in answer to the question: why the flyers are plain on the website and at car shows? 3 reasons

1. Simple easy to read & print flyers save your ink when printing off a flyer, no photos or dark colours.
2. They have the details you need to decide on contacting us for great packages deal to save you money.
3. The cost of expensive flyers must be paid for somehow and the bottom line is, It is added to the price of packages. Cheaper flyers mean less added to MotorSports Travel packages.

I hope that helps the people who emailed in their questions. Keep those questions coming.

How our Australian Drivers finished overseas this year? Congratulations and have a great year in 2008.
